Indiana Bicentennial TORCH RELAY

September 9 - October 16, 2016

Celebrate "One" Indiana

The Indiana Bicentennial Torch Relay is designed to inspire and unify Hoosiers as one of the major commemorative events of the 2016 Bicentennial celebration. Hoosiers will also symbolically "pass the torch" connecting generations to IGNITE our future.

Nominate a Torchbearer

The Indiana Bicentennial Torch Relay was created to honor Hoosiers who have demonstrated exceptional public service, achievement, acts of heroism and/or volunteer service to their neighborhood, community, region or state. Torchbearers will be Hoosiers, representing all walks of life. More than 1,800 torchbearers will be selected to carry the torch.

The torch will be primarily transported by people, passing the flame from torch bearer to torch bearer. The relay will also employ other modes of conveyance that are symbolic of the history and heritage of Indiana, including watercraft, farm equipment, a racecar, horse and wagon, antique automobile, and others.

Patterned after the Olympic Torch Relay, Indiana's version will pass through all 92 of the state's counties, cover 2300 miles over a five week period, averaging 72 miles per day.

Celebrations Along the Route

Festivities will vary from town to town, as communities celebrate the torch in their own special way. A specialized Mobile Visitors Center will be created to accompany the torch on its journey.

The relay will culminate in Indianapolis on the Statehouse Grounds, with a special welcome ceremony and celebration.

Join the festivities and celebrate "One" Indiana with fellow Hoosiers. The success of this initiative will depend on the broad-based participation and cooperation from cities and towns across the state.

<http://www.in.gov/ibc/2330.htm>

How to use this Camping Directory

Cities are listed alphabetically within each colored region of the state.

Regions are color coded with the tabs at the edge of each listing.

Tab color corresponds with regional map on page 18 & 19.
